

Int.

I thought
that I found
a good place
that wasn't
expensive...

to
spend
the time

I thought up
and so I was an
employee for
that job.

I found a place
close to work
that wasn't
too expensive.

When I was
writing
up there,

has a life
reserved
for his wife?

I can't
understand
this...

100

*If I see him
tomorrow
at the cafe,*

Tomorrow

*We'll be able
to talk about
our normal
life like before.*

.. What?

Let's
work-

It's
nothing

It's
okay

Don't
mind it-

It's date's
promise to meet-

It
must be
because
of work-

I know
about everything

Isn't
Tsugi
good?

He was
popular
for
his eyes
People
liked him

If you
like him
do you
want me
to
introduce
you
to him?

He's
good
at that

Is that

He's good at
everything

He's connected
with
bloodlines and
language that I
don't know about

He knows a lot
about Chinaka
that I didn't
know about

Didn't you
hear
anything
from Tsugi?

*We're
linked by
coincidence.*

*But as
I thought,
Chizuka
and I are...*

*What
about
me?*

*What connection do
I have with him except
that our bodies were
entwined a few times?*

Yes.

*We are
completely
different.*

*I'm
sorry! Yes, all*

*Members,
who are
you
coming out?*

*Get the
list of people
for the
celebration
party!*

There is
something
on my mind.

I'm locked up
here after being
called up for the
last's mission!

Why
couldn't
I make
faces
like that?

Indeed,
that's
true.

You don't
normally
show
it on
your face.

I thought that
something
must have
been going on.

Yes,

.....

What would...

Chizuka be eating?

*...Thank
you for
the
meal...*

*Food
like
this...*

*For Chizuka,
who grew
up eating
food cooked
by professionals.*

*The only place
where I was
connected with
Chizuka's world...*

*That
safe was...*

*A place
of miracle.*

A real prince
appeared.

Fakes...

Number?

I can't
tell them
I'm not
number

Can't be
at the
castle
anymore.

Hi~

Hi~

The real thing appeared

Hi~

Are you taking a walk?
How goes it a stroll?

Hello

Hi~

You're
up
early

I'm
staying at
a hotel
nearby

I always
wake up
at a
certain time

It's
my
habit

It's
really
beautiful

What
is it?

You
don't
look
good

My hair
and
eyebrows
are golden

He's shining
in the
sunlight

*if you
accept
my
demand-*

*The people
around
him knew
of things*

*He was
always
cold-*

*Is your
heart
not good?*

*Or were
you
abandoned
by Touji?*

*Touji's
story
until
now-*

*Do you
want
to
hear it?*

*I can
tell
you...*

Everything,

There was
a package?

To my
room.

That's
the
condition.

I
want
to
know...

Everyone
was
there.

Members,
please
come in.

But,

Where
did I put

The package
that I
received?

I
see...

He isn't
back yet.

Look,
what
about
Claude...

*I must
be out
of my
mind-*

*I didn't
realize until
I came
here...*

Love-

*I'll
come
back
again-*

*I'm
stupid-*

*Would that
make me
closer
to Chizuka?*

*I'm going
to hear
about
Chizuka's
past
secretly
Then what?*

*What am
I going to
do when
I bring it?*

*Even if
we live in
different
worlds,*

*Even if
we part
from
each other,*

*I will never
betray Chizuka-*

*I opened
the door-*

Numbers,

*Please go to
your room*

Never-

Chapter 10

Heber

I can
get
you
something
for you
I am
serious!!

Quake,

When you and that
there are something
in your mind, can't it
that about you?

He's
certainly
cute,

But
he's
a guy.

When I went
out with
somebody,

I always waited
to receive
their spare key.

I always longed
for something
like that.

Guip

*I didn't
know,*

*That Chizuka
was going
to fulfil
that dream-*

*Like
a token
of trust-*

*It looks
like a sign that
we're in
a serious
relationship.*

*Welcome.
Come
on in,*

Well-

*Is
that
okay?*

*Am I really
the person
Chizuka can
wait for?*

*You
invited
me in,*

*But I'm
not
going
inside-*

His almost open

He had cute black eyes

Hearts

Small friends

He must have been missing his dead Japanese lover

I was taught how to make tea by grandfather

I feel

Ah,

I'm sorry

I started too much

You look like him

It's not him?

Answer

The Japanese junior who Touji went out with

To me, all Asians look the same

His taste is cute Japanese boys

I think

Well, I never imagined that he would have a relationship with a guy so I was surprised

Also?

*I'm
happy...*

*That
means
I'm
Chazuke's
oppa!!*

*Chazuke's
past lover
is
Japanese...*

*And he
looks
like me?*

It's that...

*I'm
happy,*

And...

*For male
that expression
about you that
is hope...*

*I feel
relieved...*

*I'm
relieved...*

What?!

Do you like him that much?

Yes?

Is it because
Toga is the
first man you
slept with?

Yes?

Look...

We're
closing.

He
isn't
here?

Grandfather and brother!

What is he talking about? The family?

It is worthless!

What?

It's because you make that rule for what you think about him!

My family is better than his, so why are you on his side?

Touji and his father are a disgrace to our household!

It's worthless to live like this!

Now I know

Shade

Don't let your wealth control you!

A guy who has the blood of barbarians like that?

Why is it Touji?

Shade and my father and I are the real heirs!

Grandfather ordered a person to give it to Touji secretly

That's probably left by his grandfather

None of it
matters,

When you are
connecting
two people.

I
know...

Johnny Clarke
said that
it's worthless.

That is
wrong.

I came
here to
fix that
mistake.

I'm
stupid.

We must
have been
watching
one when
I felt
other and
misjudged.

I was
thinking
about our
worlds and
the different
alternatives
that
we were
raised in.

The only
person
who can
touch me
is Clarke.

Get
your
hands
off me.

I will
fix your
mistake
too.

*I like
Chinatsu!*

*I don't
like
you!*

*Don't
touch
me!*

*I didn't
hear
that
well!*

*He is
my lover
who
wakes up
from a
person's kiss!*

*I finally
found my
sleeping
partner!*

*I am not
wrong
at all...*

Slap

*FLAP
OK!*

Bang

Bang!

*I am
the next
master of
the drug
household!*

*Don't disturb
me when
you are doing
a few chores!*

Hey,

*The package
that you
wanted to
have is here.*

*Open this
door now.*

*Give me
back
what's
mine,
Right
now!*

I don't
want it,
so I don't
know
what's
made

Take
it
and
leave

I don't know
why, but it
was in the
refrigerator

It's a
hugonide
from
grandfather

You are
throwing
something
like that

Cho,

Let's
go
back

Shin

That or
that is
because

Shin

Why are
your
clothes
like that?

Shin

See
Prince

That room
is where
he always brings
all the men
that he likes

What?

Come to
think
of it,
Chizuko

How
did you
know that
it was
that room?

王子
様

The reason he speaks
Japanese well is because
he only goes out with
Japanese guys

What?

What?!

Stupid
prince

Fix your
clothes
right now

What
did he
do to
you?

So?

St. St.

*This... I
spent
a lot of
money to
buy this...*

*Don't
wear
that
again.*

*It smells
of
another
man.*

*It has
a smell of
a race
that
I hate.*

*Take
it
off.*

*He is
blessed
and has
everything.*

*I'm
sorry
I made
you
worry*

*I always
receive
his love*

be

First,

*There
might be
something...*

*Let
me
eat
you*

*That I can
give you*

It has been
few days
since we
kissed...

...I feel
dizzy...

Turn ~~off~~!

Then we
will eat
a delicious
meal

I'm
not like
an idiot...

After...

Takashi

Let's do it.

I
can't
wait!

What
You can't wait,
do it
then...
What...

No,
no,
no...

Ah...

You
can't
go
now...

Ah...

Ah...

Ah...

1- A lady
that
everybody
has-

2- A
normal
meal-

3- ...A
lover
who is
his type...

The
things
that
I can
give to
Chizuko,

You
have
to
prove it-

You
said...

That you
can't
sleep on
my bed?

Ah-

Ah...

Look,
that's...

Dr. Great
Great

You will
be able to
sleep
well now.

I
dream.

In the
dream,

Latin language
for words
inside hearts

Long long
after

Somebody
whispered...

Sleep
well,
prince.

I love a face
and you

Lots of
sweet
words.

Long long

and

First,
let me
eat you.

Dinner
with
Chizuko

Dinner,
dinner—

He
loved

I
love
Chizuko
and
Chizuko

Open

A...

A lie!

A lie?

You had
because
I won't
understand
it.

I know
a little!

Wow,

Wow,

I love
you!

I love
you!

I love
you!

It has
the
same
meaning

It's a different
expression
but it means
the same

Yes

Yes

You didn't
say
that before

"I love you"
is
I love you
in English?

"Ring
you"
mean?

uh-huh. Quite
close—

I love you

Yes

England.

People in
England
use
"ring" gear.

Ah.

It's like
that
in USSR

"I'm
going
to
call you"

That
means

Yes,
that's
it.

"Ring
you"?

Ah.

Isn't half
supposed to
mean a
phone call?

Did you
hear it
from
Richard?

When
was
it?

When
did
you
meet?

Uua-

She said that I had
to go "for master
school" or I would
lose everything

Chief Nakamura wanted
me to take her to the
airport, so I went with
her to Alaska.

Uua-

and

So,
